

## Oil Spill Updates

**Beach conditions:** Florida's tourism website, [www.VISITFLORIDA.com](http://www.VISITFLORIDA.com), posts up-to-the-minute information on any city or region in Florida. [http://www.visitflorida.com/florida\\_travel\\_advisory/](http://www.visitflorida.com/florida_travel_advisory/)

**Florida State Parks:** Updates on closings, if any, will be posted online or may be obtained by calling 850.245.2157. <http://www.floridastateparks.org/>

**Fishing:** NOAA extended the boundaries of the closed fishing area in the Gulf of Mexico to the state water line in Alabama and the western tip of Florida's Panhandle. For the latest update, check the Deepwater Horizon website. Scroll to "Current Ops" at the top and click on "Fish and Wildlife Report."
